Security challenge

Challenge questions are used to authenticate the user when accessing Internet Banking from a non-registered computer. Please note that if there has been no login activity for 90 days, your user will become inactive. Inactive users must re-enroll to access accounts online. This will affect any automatic transfers that have been set up. Please contact Account Services at (830) 278-6231 for any questions.

TERMS OF SERVICE

Last updated May 31, 2025

First State Bank of Uvalde

Account to Account Transfer Terms of Service

[Note to Clients – Please insert your Financial Institution information in the Yellow highlighted areas. Please do not change the Sections highlighted in green below without discussing the changes and reaching mutual agreement with us about them.]

1. Introduction. This Account to Account Transfer Terms of Service document (hereinafter "Agreement") is a contract between you and First State Bank of Uvalde (hereinafter "we" or "us") in connection with the Account to Account Transfer Service (as defined below) offered through our online banking site or mobile applications (the "Site"). This Agreement applies to your use of the Account to Account Transfer Service and the portion of the Site through which the Account to Account Transfer Service is offered.

2. Description of Account to Account Transfer Service. The Account to Account transfer service (the "Account to Account Transfer Service") enables you to transfer funds between your Eligible Transaction Account(s) that you maintain with us and your External Account(s) that are

By selecting "I agree", I acknowledge that I have read and accept the above terms and conditions.
